Our Ministry

Established in 1921, Camp Allen is a beautiful property where people grow deeper in their faith every day. Many celebrate decades of history at the camp; it has had a significant impact on individuals, families, and congregations!

Camp Allen cultivates an environment where God can move in the hearts of people and the Holy Spirit can transform lives. Many clergy assert that when they return to Camp Allen they are reminded of the reasons they entered the clergy.

Camp Allen is a ministry resource - to every Episcopal Church in the Diocese, and also to hundreds of churches of many denominations. Whether through parish retreats, summer camp, or other means, families are brought together through their affection for this very special place.

Our Campaign

We turn away more than 1,000 visitors every year due to lack of space. Limited space also means that we must turn away many fine young leaders who cannot secure a position on our team. The Centennial Fund projects will bring increased capacity, making it possible to meet more of these demands.

Providing scholarships to campers and outdoor education students is an integral part of our mission, as we assisted 2,952 children last year. Once the Centennial Fund projects are complete, all donated funds will be used for scholarships.

Campaign projects include Campsite 4, dedicated staff housing, Discovery Center, green infrastructure Improvements, expanded kitchen facilities, campsite and hotel restoration, a maintenance endowment, and expanded scholarship opportunities.

Your Impact

The Centennial Fund is currently underway to fund projects that will expand capacity and improve operations to position Camp Allen's sustainability for the decades ahead.

We invite all to participate in the future of Camp Allen by reserving a named bench at the new Outdoor Stone Chapel (pictured on the reverse) with a \$10,000 campaign gift. Gifts may be made by completing the form on the reverse or at campallen.org.

There are additional donor recognition opportunities available for those who would like to associate their gifts with elements of Campsite 4 or other special places at Camp Allen. To learn more, contact the Development office at 936-825-7175 or laurend@campallen.org. Thank you for your support!
