THURSDAY, MAY 2, 2024

Established in 1921 by the Episcopal Diocese of Texas, Camp Allen is a year-round camp located on a scenic 1,100-acre campus one hour north of Houston. Camp Allen's mission is strong and clear: Honoring God and enriching more lives by being a year-round gathering place for all ages, offering Christian hospitality and striving for excellence in facilities, services, and programs. To carry out this mission, Camp Allen provides a wide variety of life-changing spiritual, educational, and social experiences for people of all ages. The camp's core programs include the largest Episcopal summer camp program in the nation, a Discovery Program with hands-on educational experiences for students from various socioeconomic backgrounds, specialty camps, and conferences. The challenge today is that many children from economically disadvantaged families & schools need financial assistance in order to be able to participate in our nationally known programs. The mission of Starry Nights is to bridge this gap by supporting the camp's Scholarship Fund and programs which makes it possible for more children and youth to experience Camp Allen.

OUR HONOREES

Janie Stone and Don Walker share a deep passion for nurturing children's connection with God in the great outdoors. Janie is actively involved in the church community, having served on the vestry at Good Shepherd and the board of St. Anne's Guild.

After starting her law firm in 2004, she obtained a Masters of Arts in Pastoral Ministry in 2008 from the Episcopal Seminary of the Southwest and has dedicated eight years of service on the

Camp Allen board. Don, who is also an attorney, spent his childhood summers at Texas summer camps and grew up at Christ Episcopal Church in Temple, serving as an altar boy and lay reader. He took the lead in backing the newly built Herpetology House for

Camp Allen's Discovery Program, a facility that bears his family's name. Currently serving as an usher and participating in men's bible studies at Good Shepherd, Don cherishes his connection to the church and to Camp Allen. Their continuing support of Camp Allen is in gratitude for the leadership and staff of the camp and the remarkable stewardship they have shown for the camp's resources.
