SEPTEMBER 28, 2023

Established in 1921 by the Episcopal Diocese of Texas, Camp Allen is a year-round camp located on a scenic 1,100-acre campus one hour north of Houston. Camp Allen's mission is strong and clear: Honoring God and enriching more lives by being a year-round gathering place for all ages, offering Christian hospitality and striving for excellence in facilities, services, and programs. To carry out this mission, Camp Allen provides a wide variety of life-changing spiritual, educational, and social experiences for people of all ages. The camp's core programs include the largest Episcopal summer camp program in the nation, a Discovery Program with hands-on educational experiences for students from various socioeconomic backgrounds, specialty camps, and conferences. The challenge today is that many children from economically disadvantaged families & schools need financial assistance in order to be able to participate in our nationally known programs. The mission of Starry Nights is to bridge this gap by supporting the camp's Scholarship Fund and programs which makes it possible for more children and youth to experience Camp Allen.
