

RETREAT TEMPLATES

Camp Allen hosts over 60,000 guests per year and with that experience, we have developed a template for groups that want to come to Camp Allen, but are not sure how to plan an entire event. The templates listed below are sample schedules for an adult retreat (women, men, couples, corporate, teambuilding, vestry, etc) that lists a breakdown by hour of meals, plenaries, and activities. We also offer a similar template for church retreats or family reunions that offers scheduling for youth & children.
