The Centennial Fund’s 21 project campaign focusing on improvements designed to increase capacity and improve operations is now in its final phase. With the majority of the projects complete, our campers and guests have already experienced the benefits of the restoration, preservation, innovation the campaign has made across the facilities and property at Camp Allen.

The final and perhaps the most exciting project, Campsite 4, will have the biggest impact on increasing our capacity to serve more children and visitors. We are happy to report that construction on the four camper residences at Campsite 4 is now complete. Nestled among the pines overlooking Lake Coffield, each of these residences contain two bunkrooms, a scenic porch, and spacious restroom facilities which house 100 campers. Once in operation, Campsite 4 will enable 700 more children to attend a life changing week at Camp Allen each summer!

In addition, the Kensinger Kitchen (named in memory of Angie and Stuart Kensinger) will be built between the Bishop Doyle Center and the residence facilities in the summer of 2020. This outdoor kitchen will feature a large grill, prep area, and a covered pavilion area with seating for 40 people.

After years of planning and dreaming alongside Studio Red Architects, Paradigm Construction is now hard at work on the Bishop Doyle Center at Campsite 4. This beautiful 22,000 square foot facility will contain an all-camp dining hall with seating for 500, commercial kitchen, director’s quarters, large porches, and programming areas. With the framing up, the building is truly coming to life. Starting in the summer of 2021, this space will the hub of our camper community, as campers of all ages to gather together multiple times a day for family-style dining. We are already picturing siblings high fiving over pancakes and Primaries giggling as they watch Jr. High campers take on “No Utensil Tuesday” for spaghetti night!

Mark your calendars to join us for our Centennial Celebration on May 1, 2021 and to join us a few weeks later for our inaugural summer camp season at Campsite 4!

Like a lot of kids who come to Camp Allen, I didn’t grow up in a happy home. In my case, family was all about appearances, achievement, and meeting expectations. I craved another kind of family, one that was all about love, acceptance, redemption.

I found that family at Camp Allen, and those memories have kept me coming back nearly 50 years. Back then (in the days of no air-conditioning), we had practical jokes and pranks, peppermint milkshake, groovy guitar music, crazy skits, hugs and tears. Beneath the fun was a faith community where I experienced God’s love for what felt like the first time. I was hooked on that glimpse of heaven! I came back every chance I got—summer sessions at campsites 1 and 2, EYC retreats at the lodge, Midwinter at the conference center. It was an anchor to me at a critical time in my life, a place where I could reinvent myself. After high school my visits to Camp Allen were rare with marriage and cross-country moves. However, I carried what I learned with me—transformational lessons about living a life of service, making friends and listening to others’ stories.

I wanted the same things for our boys, so for years we traveled from Los Angeles to Texas so they could experience Camp Allen. Diocesan youth retreats such as YES /Happening and Summer Camp at Camp Allen were their first times away from home, opportunities to learn responsibility and self-sufficiency in a safe, nurturing and structured environment. Their spiritual and leadership development only continued when they were counselors and senior staff. I loved listening to how they comforted the homesick, mediated squabbles, and helped bring shy and timid campers out of their shell. I also loved hearing, “Mom, you have to ask kids to do things a thousand times!” During those years, I enjoyed Camp Allen all over again. I unplugged from my urban and happily washed all the boys clothes on Saturday nights to send them right back to camp the next day for a new session of campers.

Now that I’m again living in Texas, Camp Allen is once more a refuge for rest, contemplation and stillness. I marvel at all the improvements since the 1970s, and am so grateful Camp Allen has remained a space for prayer, conversation fellowship and ultimately, a place to belong.
GRACE FUND

Grace Day is a six-year old that has lived at Camp Allen her whole life. Her dad, Drew, is our summer camp director and her mom, Lauren, leads our development efforts. Canteen is in Grace’s backyard, she thinks church services should always be followed by ice cream at the park and counts down until the start of the camp season each year.

As the pandemic began and social distancing went into effect, Grace was quick to notice that our typically bustling campus become vacant. One night shortly thereafter, she commented,

“Mommy, I hope people can come to Camp Allen again soon. Do you know why... people find Jesus here.”

Camp Allen truly is a special place. Whether people are 8 or 80, hearts are restored here, visions are born here, and to echo Grace- Jesus is found here.

Some have asked how they can help support Camp Allen, as COVID-19 has made a significant financial impact on the camp’s operations. Our current greatest need is for our valued staff. In the spirit of our resident kindergartner’s poignant words, we have established the Grace Fund at campallen.org to assist our 61 loyal hourly staff in housekeeping, food services, and groundskeeping that will be short of their normal hours with no guests present.

We are grateful to those that have already contributed to the fund, as it enables the stability of our camp by taking care of our beloved staff family. Thank you again for your support!

PRESIDENT’S CORNER

Dear Friends,

Today we find ourselves standing together (six feet apart) in a valley waiting for the storm to pass, but beauty is behind us and before us. As we look back at 2019, there is a deeper sense of gratitude for the record number of people served and supported by scholarships at Camp Allen. We also look ahead with hope and excitement for 2021, when we open Campsite 4 and the Bishop Doyle Center, a dream that has been years in the making.

As we navigate an uncertain season, Camp Allen continues to choose joy. We are humbled to publish this annual report to celebrate all that God has done at Camp Allen along with the 602 individuals, families, foundations, organizations, churches, and corporations that believed in our mission and financially supported Camp Allen in 2019.

We are deeply thankful for your generosity and for allowing us to serve you. Over my 18 years as president, people often share with me the feeling they have when they pull into Camp Allen. The most frequent sentiments are of peace or the sense that they are “coming home”. As you can see from the photo above, the lights are on at Campsite 4 and we can’t wait to welcome you home to Camp Allen soon.

Our Austin event was slated to honor some of our beloved ATX Clergy Session Directors: The Rev. Christian Hawley, The Rev. Madeline Hawley, The Rev. Dean Lawrence, The Rev. John Newton, The Rev. Kathy Pfister, The Rev. Kevin Schubert, The Rev. Chuck Treadwell, and The Rev. Billy Tweedie. These Clergy and lay leaders from across the Diocese of Texas bunk up at a campsite to be the hands and feet of Jesus to campers and counselors, teach dynamic programming, frequent the blob, cover themselves in shaving cream, and don clergy collars with tie-dye shirts to celebrate Eucharist. The relationships built throughout the camp session and the pure fun shared truly brings the Gospel message to life in a whole new way. Our volunteer leadership is one of the most unique and impactful aspects of Camp Allen’s summer camp program, and we are truly grateful for their service!

Thank you to our underwriters that provided vital support to Camp Allen and to our faithful committee: Ashley & The Rev. Miles Brandon and Bonnie Walton.
