

Outdoor Education for Discovery Program at Camp Allen

Supervisor: Program Director

Directs: Non-Supervisory

Compensation:

Weekly Compensation + Room & Board + Health Insurance

Job Description:

The Discovery Program at Camp Allen is seeking energetic, enthusiastic outdoor educators for our residential environmental and adventure education program. This program serves public and private school students from lower elementary through high school, with an emphasis on 4th-6th graders. Classes are offered in science and nature, adventure and survival skills.

Minimum Qualifications

The qualified applicant will have an affinity for and experience working with youth, and enjoy being outdoors in all kinds of weather. Position is available beginning August 16, 2021 and ends May 31, 2022.

Education:

Bachelor's degree from an accredited college or university

Required Experience:

All required certifications and trainings are held on site and furnished at no cost to the new hire; Level I challenge course, Flatwater canoe instruction and rescue, NASP or USA archery, CPR/FA, and any and associated curriculum training.

Please do not call. Interested applicants should email a resume to Candy Moore, Director: The Discovery Program at Camp Allen; candym@campallen.org

When you apply, please indicate that you are responding to the posting on the Camp Allen web site.
